Wheelchair Softball

Join the 2007 National Wheelchair Softball Champions and come play softball. Athletes will be grouped according to age and ability levels. The game is both fun and competitive. There will be an opportunity to play in games, tournaments and even the Junior Wheelchair Softball Nationals. Athletes who ambulate, use a walker, crutches or a manual wheelchair for mobility and have a primary physical disability are encouraged to participate. This program is offered in cooperation with the Western DuPage Special Recreation Association, allowing networking with other paralympic athletes. **The goal of this program is to work on the fundamentals of the game including batting, throwing, fielding and teamwork.**
