- II. **FVSRA Programming & Services-** The program fliers are now on the website with transportation schedules.
- III. **Wrap Up the Holidays with FVSRA Report-** The event was a success! As people came out to get information about FVSRA, people were registering for programs at the event. Furthermore, there were a lot of group homes that came out to the event and FVSRA staff was able to help most of them get registered for programs while they were here.
