Breckenridge Ski Trip

Do you know how to ski or wish to learn? Experienced instructors from Breckenridge Outdoor Education Center (BOEC) will guide you with adaptive equipment and prompts at any skier's level. BOEC is known for their accessible outdoor adventure programs, compassionate staff, personalized attention and overall determination to help others overcome challenges. The trip will consist of 3 ski days, and relaxation at a fully accessible log cabin. Participants will have the chance to help with cooking and cleaning while sharing space with others. **The goals of this program are to increase independence, knowledge, and skills of downhill skiing and social awareness while participating in lifelong leisure activities.**
