March 20, 2024

Summer season is just around the corner and so is summer camp and program registration! As we continuously strive to enhance your experience with us, part of our commitment involves transparent communication, especially when it comes to updates in our policies and fees.

We want to inform you of a new update regarding payment methods for program fees. Starting March 20, 2024, a processing fee of 3.25% will be applied to all online transactions made through Rec1. This adjustment is in line with our efforts to keep up with the rising costs associated with online payment processing and to continue providing the exceptional services and experiences you expect at FVSRA.

Please note the following important points regarding this update:

1. **Online Processing Fee:** The 3.25% fee will automatically be added to your total fees when you opt to pay online. This fee is directly attributed to the costs from online transaction fees.
2. **Alternative Payment Options:** To offer flexibility, we continue to accept other forms of payment, including cash or checks, which do not incur the fee. We encourage you to consider these options if you wish to avoid the additional charge.
3. **Transparency and Support:** Transparency is key in our communication. This fee is implemented to ensure that we can maintain the quality and breadth of our programs without compromising on the experience. Our team is here to assist you if you have any questions or need clarification regarding your payment options.

Should you have any questions or need assistance, please do not hesitate to reach out to our Business Coordinator, Leticia Favela. We are committed to making this transition as smooth as possible for our FVSRA families.

Thank you for your understanding and continued support. We look forward to another amazing season at FVSRA!
